

AMENDMENT 85-4

ADDENDUM 84-4 TREES

GENERAL:- Section 100

GENERAL 100.42

In conjunction with Section 100.1 and 100.10 and Ordinance 84-4 orderly tree cutting, the following provisions are now in effect this date, Feb. 4, 1985:

1. Prior to issuance of a "Clearing Permit", the location of the proposed building construction must be located by stake or markers and shown to the City Building Inspector.
2. The Building Inspector and or his associates will mark or identify a point that remaining trees SHALL NOT BE REMOVED or CUT DOWN, UNLESS specific permission is given. NO intentional killing of trees will be allowed.
3. In the event any trees, larger than 6" diameter at ground level are removed, a fine of \$100./tree will be levied plus a re-planting of an approved quality tree will be required.

Therefore, be it so ordained and approved by the City of Sky Valley City Council this 4th day of Feb., 1985.

Ralph L. Merrow, Councilman
