Chairman Gurley called the meeting to order.

Discussion Items

- **Tree Ordinance**

-

Committee Members McAfee, Kleiber and Chitwood made comments about the changes and updates to the proposed ordinance.

City Manager Lapeyrouse conducted a redline review and comments were made by the following:

Rudy Masi- Thanked everyone & build a bridge on what we have in common.

Neil Howard- Reflecting back, the P & Z has accomplished a lot and he appreciated their work.

Reuel Hamilton- Whereas statements need to be clearer and no so many.

Susie Piontkowski- Process for tree removal is easy, the wheel is not broken.

Connie Larsen- People that are buying the house next them is buying it for the view.

Janet Gray- Her house has great views and she loves the view.

Chip Durpo- Asked if this was included in the Mountain Protection District .

Ed West- To sum it up, who has been turned down & requested a show of hands, the city will work with home owners.

Dan Masi- Stated he is against the changes.

Gary Waldrick – Stated he is against the changes.

Ted Szymankiewicz- Suggested strengthening the language in Section 3.

Keith Brown- City required a permit for a dead tree.

Jan Mason- Stated she wanted the ordinances definitions expanded

- **Adjournment**

The meeting adjourned at 10:45.
